

# HOLIDAY GIFTS FOR THE TROOPS IN AFGHANISTAN

## Holiday Gifts for The Troops in Bagram Afghanistan

This is the fourth year that donations from private individuals and corporations here in Kansas City have enabled us to put gift packages together for our troops abroad. In 2006 we raised \$20,000 for 100 packages, 2010 \$42,000 for 200 packages and 2011 \$64,000 for 430 gift packages. The 5'x5'x10' inch boxes are hand decorated by local students from Cub Scouts, The Paseo Academy of Performing Arts and the Cristo Rey School.

This year we will send 500 gift packages to arrive before Christmas. Each package will include 12 packs of Starbucks instant coffee, two \$50 AT&T phone cards, two great pairs of boot sox, Multiple Vitamins and Omega 3 caplets, 5 Hour Energy Drinks, and a large package of Gummy bears.

These gift packages go to soldiers and troops in the Bagram base and field hospital and to remote out bases in northern Afghanistan. We need lots of support to reach our goal of 500 gift packages. We are confident that your donation will help make our troops much happier during the holidays.
